## Engine Oil

Dear Mr Nieuwenhuis,

Analysis of the engine oil

### **Eurol Turbo DI SAE 5W-40**

has shown that product in question meets the requirements in accordance with VW Standard 502 00, VW 505 00 and VW Standard 505 01. This engine oil is therefore suitable for use in our petrol and diesel engines, including engines with turbochargers, in accordance with the Owner's Literature for our products.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

**“approved under VW Standard 502 00, VW Standard 505 00 and  
VW Standard 505 01”**

Please note that this approval expires after 36 months, at which point compliance with the then valid VW standards must be verified again.

Yours sincerely,

i.V.

Dr. Achmus
